

Code of Ethics

June 2015

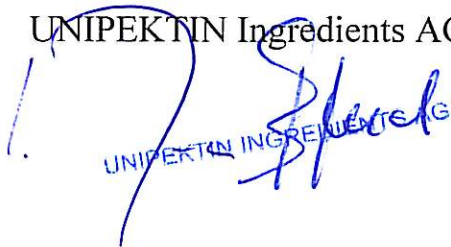

Members of INEC commit themselves to supply *Carob Bean Gum* syn. *Locust Bean Gum* which

- Complies with Codex Alimentarius and JECFA standards for food use and with appropriate standards (such as USP) for other areas.
- Complies with any written or implied specification agreed between buyer and seller, and is accurately described and labelled.
- Is unadulterated and is produced and handled under appropriately hygienic conditions.

Members of INEC comply in their business conduct with applicable law and regulations and good business ethics.

Specifically are excluded from the activities of INEC any topics which contravene national and EU competition law.
